**NYSCADV**  
NEW YORK STATE COALITION  
AGAINST DOMESTIC VIOLENCE

The New York State Coalition Against Domestic Violence (NYSCADV) is pleased to present **The Virtual Core Competency Training Series** for Domestic Violence Advocates

## ABOUT THE TRAINING

NYSCADV developed this curriculum to assist in the training, onboarding, and professional development of DV advocates within New York State. Upon completion of this virtual series, advocates will have built a foundation of knowledge that will prepare them for their work serving survivors of domestic violence, including being able to assist survivors in navigating various systems and helping services in their community.

## WHO SHOULD ATTEND?

Due to limited space, agencies should prioritize sending newer dv advocates, or those who would benefit from a refresher. Registration is open to NYS based staff of private, nonprofit, nongovernmental organizations and programs that have a primary purpose of providing shelter and supportive services to adult and youth victims of family violence, domestic violence, or dating violence, and their dependents. This includes programs that are licensed by the NYS Office for Children and Family Services or have local NY Department of Social Services contracts to provide domestic violence services, either residential or nonresidential.

## HOW TO REGISTER

Registration will open on Tuesday, July 19, 2022, at 12:00 PM in **[NYSCADV's Coalition Manager Platform](#)**. To register, staff MUST have valid coalition manager login set up no later than Friday, July 15, 2022. There will not be an alternative registration method available. Please contact your program leadership regarding setting up your coalition manager account.
