

Set Up a Facebook Fundraiser For #GivingTuesday to Benefit New York State Coalition Against Domestic Violence (NYSCADV)

Creating a fundraiser on Facebook is an effective and innovative way to enlist your social network through peer-to-peer fundraising, and helps make a world of difference for survivors of domestic violence.

Are you ready to set up a Facebook fundraiser that helps end domestic violence and support survivors? We have some answers to frequently asked questions:

How do Facebook fundraisers work?

- ★ Facebook receives funds from donors who give within the Facebook platform. These donations are disbursed twice per month to New York State Coalition Against Domestic Violence (NYSCADV) in a lump sum.
- ★ Depending on donors' privacy settings and preferences, NYSCADV may or may not be able to see donor information.
- ★ Facebook resolves all issues related to donations made through its platform.

I want to setup a Facebook fundraiser on NYSCADV's behalf! How do I do that?

Thank you for choosing to support NYSCADV!

I supported a Facebook fundraiser. How do I get a donation receipt?

- ★ Because these donations are processed by Facebook, Facebook will send donation receipts to the primary email connected with your Facebook account.
- ★ If you do not receive a donation receipt from Facebook, you can use their [Payments Support](#) page to request one.

How does the donation I made on Facebook get to NYSCADV?

- ★ All donations made to NYSCADV through Facebook fundraisers are distributed directly to NYSCADV within two weeks. Facebook does not charge any processing fees for charitable donations so 100% of the donations made go directly to NYSCADV.
